2022 FBI Youth Leadership Academy

The Kansas City Division of the FBI will once again host its Youth Leadership Academy this summer. 25 high school students, entering their junior or senior year during the 2022 - 2023 school year, will be selected to attend the Academy. The Academy will be held on Friday, June 10, from 8:00 a.m. to 5 p.m. Punctuality, professional behavior and appropriate dress will be required of all students attending this program.

As of now, the program is planned to be held in person; however, due to the ever-changing circumstances around the ongoing COVID-19 pandemic, the FBI reserves the right to move the Academy to a virtual setting or to cancel the Academy, if circumstances dictate the action.

The program will focus on various areas related to the FBI and its functions. Selected students will learn about a number of FBI functions and responsibilities, as well as receive briefings on cyber security, the FBI's Evidence Response Team, and the Heart of America Regional Computer Forensic Laboratory.

The program is not exclusive to students interested in criminal justice. Due to the vast diversity in our workforce, any student with an interest in the FBI, what we do and how a relationship with the FBI can be to their benefit is encouraged to apply. All students will be evaluated based on their application (GPA, school activities and community involvement) and essay to determine which students will be offered a seat in the class. None of the above elements will be the sole basis of evaluation of an application and the application process should be taken seriously by all applicants.

This application and supporting essay must be received via email or by mail at the following address by 5 p.m. on Friday April 8, 2022 for a panel review. Incomplete and late applications will not be accepted. Please mail, or email the completed packet to:

Kansas City FBI
Attn: Public Affairs – Dixon Land
1300 Summit St.
Kansas City, MO 64105
dcland@fbi.gov

Applicants will be notified of their application status via email by close of business on Friday, April 29, 2022. Students selected to attend the FBI Youth Leadership Academy will be given additional information about the program and will be required to confirm their planned attendance.

Questions regarding the FBI Youth Leadership Academy or the application process can be directed to Public Affairs Specialist Dixon Land at (816) 512-8493 or email dcland@fbi.gov.

Frequently Asked Questions Regarding the FBI Youth Leadership Academy

Q. Is the program only for high school juniors and seniors?

A. Yes, the program has been designed for high school students who will be entering their junior or senior year during the upcoming school year to ensure that they have at least one year remaining in their academic career at the school. This enables students to share the information they have learned and serve as peer mentors, when appropriate.

Q. Is the essay important?

A. Yes, the essay is important as it is often the first element of the application package that is reviewed by our panelists. This is an opportunity for the student to explain why they should attend and what benefit of the class will be beyond the student's own experience. In other words, an impressive GPA without a well-written essay can be problematic.

Q. Do 4.0 students get a guaranteed seat in the class?

A. GPA is only one method of student evaluation and no student will be assured a seat by GPA alone. All students must submit a well-written essay detailing why they want to attend the academy and how the experience will benefit their school as well as have school activities and community involvement that demonstrate that he or she is a well-rounded student. Each of these categories will carry weight in the evaluation of an application.

Q. Is a particular GPA required?

A. GPA is not the only method of student evaluation and a minimum GPA is not stated; however, given the competitive nature of the application process, it is advantageous for a student to have a combination of a good GPA, well-written essay, school activities and community involvement.

Q. Does a student have to have specific experience or interest in law enforcement to be a successful candidate?

A. No, a student does not need to be in a criminal justice program, explorers program, ROTC, etc. The primary objective is to identify students who are capable of leadership and have an interest in what the FBI does.

Q. Is this experience similar to an internship?

A. The FBI Youth Leadership Academy is not an internship and while students may be offered case studies drawn from adjudicated cases, students will not be exposed to active cases or day-to-day investigations.

Q. I love forensic science! Will I get to learn techniques?

A. While students will be exposed to some basic evidence collection techniques during one of the many sessions, the day covers a wide variety of topics from a classroom and experiential perspective as well as concepts that are designed to enhance student awareness of issues such as cybercrime, cyber bullying and more.
