## 2) Help Prevent Youth Suicide – Parent Night on Jan 22!

Your support and encouragement play vital roles in your children's mental health. Talk to your kids about suicide, even if you may not see the warning signs. No one is alone, we are all in this together. Talking about suicide does not plant the idea in someone's head. Honest and direct dialogue can open communication and relieve stress for that person.

Park Hill School District is partnering with Tri-County Mental Health to offer an important **Parent Night at the Park Hill District Office (7703 NW Barry Road, KCMO 64153) on Tuesday, January 22, 2019, 6:00pm**. Come join us and learn how you can help prevent youth suicide.
